Offer at Private Sale

All lots are favorably located on gently rising grounds overlooking the beautiful Valley of New River.

The exceedingly low price at which these lots are placed upon the market makes to investors quick and large returns.

**TERMS OF SALE:** One-third cash, balance in one and two years. Through its excellent railroad facilities, IVANHOE is placed within minimum haul of the enormous deposits of Gossan Iron Ore, of Carroll County, and the world famous limestone and mountain ores of Cripple Creek Valley, and also within easy haul of the celebrated Pocahontas and Flat Top coal and coke fields.

**IMMENSE LIMESTONE QUARRIES ARE BEING OPERATED WITHIN THE TOWN.**

**The No. 1 Furnace** of the New River Mineral Company is already in successful operation, while the

**Ivanhoe Iron Company,**

under the Presidency of Mr. Jordan L. Mott, of the Mott Haven Iron Works of New York, has been organized for the purpose of erecting another furnace of large capacity. The extensive mines of the New River Mineral Company adjoining the town, are already giving employment to a large number of men.

The IVANHOE ZINC COMPANY, with a capital of \$500,000, has purchased immense deposits of exceedingly rich zinc ores, which they are now developing, and will soon erect several zinc furnaces.

Being the only city in the Southern connection of the Norfolk and Western Railroad, IVANHOE, must become a great distributing point for the immense ore fields and agricultural and timber districts of Southwest Virginia and Western North Carolina. Situated in the midst of a great wool raising district, and within a short distance of the Southern cotton fields. No place in Virginia possesses so many advantages for woolen and cotton mills.

Vast tracts of Red and White oak, chestnut, hickory, pine and hemlock, near at hand, furnish exceptional opportunities for wood-working establishments and stenna tanneries.

A \$35,000 Hotel will be erected at once.

Water works, planing mill and brick factory will be erected at an early date.

Being 2,000 feet above the sea, the climate is unsurpassed by the celebrated mountain resorts of the world. A large tract of level land with a front of over a half mile on New River has been set aside for manufacturing purposes, and a half mile on New River has been set aside for manufacturing purposes, and a half mile on New River has been set aside for manufacturing purposes.

Liberal inducements will be offered all industries locating here. Through its connections with the steamship lines, the Louisville and Nashville, the Cape Fear and Yakin Valley and the Shenandoah railroads and its outlet on the Ohio River, the Norfolk and Western Railroad places IVANHOE in direct communication with the great markets, North, East, South and West.
